

QUALITY AT ITS PRIME

"Bringing you the treasures from the sea"

We are also equipped with State-of-the-art machineries and equipment and have our own in-built Cold Stores each with a capacity of 200 Tons.

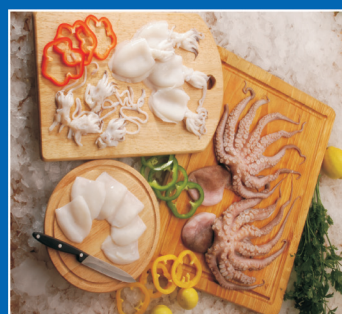

We also have an extensive network of Purchase centers which provides us with the critical knowledge and timely information necessary to both maximize efficiency and minimize the cost of fulfillment.

Our Company sources and delivers a wide variety of frozen and value-added seafood products from its locations across Asia and other parts of the world. This extensive procurement network will continue to expand, as the company develops new areas and sources of supply to meet the growing worldwide demand.

## Services

We have remained dedicated to one fundamental business practice: providing the highest quality of service and products to all of our customers. There really is no other way to operate in this highly competitive industry. Each customer has a unique set of requirements, challenges and needs, and it's our business to ensure that they're all met with the most efficient and cost effective means possible. In order to maintain our uncompromising commitment to service, we're constantly evaluating the way we do business and looking for new and innovative ways to further improve our operational efficiencies and product offerings.

We understand the value of employing and developing local staff, in each country location, whose knowledge and experience are at the forefront of the industry. But most importantly, we believe in listening carefully to what our customers are asking for. Ultimately, we know that every improvement we make to our business will be a direct benefit to theirs.

# Bringing treasures from the Sea... to your plate

We are an Organization based in the UAE and involved in the Processing, Exports, Imports & Trading of all kinds of frozen seafood, with 3 factories in the UAE, 1 in India and 1 in Bahrain. We also have direct purchase offices based in Yemen, Oman, Tanzania, Somalia, Thailand, China, Vietnam and the Caribbean.

Our company specializes primarily in Lobsters [Whole/Tails/Meat], with its signature items coming from the Gulf Waters. Other seafood such as Crabs, Shrimps, Cuttlefish and various other fishes like Ribbonfish, Kingfish, Grouper, Emperor, etc. are also important parts of the product mix.

## About Us

Since its beginning, we have steadily grown to become one of the industry leaders in procuring, processing and delivering the highest quality frozen seafood products to major buyers worldwide. We have built our world-class reputation on the ability to customize programs, consistent delivery, supply that meets demand, an uncompromising quality of product and the best possible current market price for each order.

All our factories are Ultra-hygienic and are compliant with HACCP, TUV & US FDA norms and are staffed with highly skilled workers. Each of our factories has the capacity to process 10 tons of material per day and together we can process around 30 Tons of material from our UAE factories alone.

Always with an eye towards expansion to meet the future challenges of our industry, we look forward to providing our customers with an unmatched level of quality and service.

**Our mission is to provide the best quality products, on a timely manner and at a fair price.**

Our aim is to handle your esteemed orders on a priority basis from the beginning until it is delivered to you.

We are a dedicated team of professionals, committed to understanding and service our client's needs with the maximum of efficiency. Our entire team prides itself on the reputation that they themselves create the very best in quality, consistency and service.

"**OCEANCREST**" our brand of Lobster Tails is the fruit of our hard work and dedication to Quality. Throughout the world, the mere mention of "**OCEANCREST**" is synonymous to bringing a smile into people's faces that enjoy seafood.

"*SeaBlue*" is the brand that we have registered for the Middle East, Gulf & African sectors. With this new brand, we look forward to catering exclusively to the Retail segment in providing our customers with an uncompromised quality in "Packaged & Ready-to-eat" products.

We are also proud to announce that we were the recipients of the "The Best Exporter Company and Factory in the UAE" award for the year 2012.

**We look forward to your enquiries and requirements with anticipation...**
